Advantages of our products

ONLY POPULAR COLORS

We select colors and shades in collaboration with a team of active nail technicians. Rich colors that apply in just one coat significantly speed up the technician's work.

CAPSULE COLLECTIONS

We have created unique collections that allow you to express your individuality and create a one-of-a-kind look. EVIENE Professionnel gel polishes are the perfect combination of high quality, trendy shades, and affordability.

UPDATABLE COLLECTIONS

We aim to ensure that every woman feels confident and beautiful. That's why we release new collections every season, reflecting the latest fashion trends and allowing for the creation of unique looks.

21 FREE FORMULA

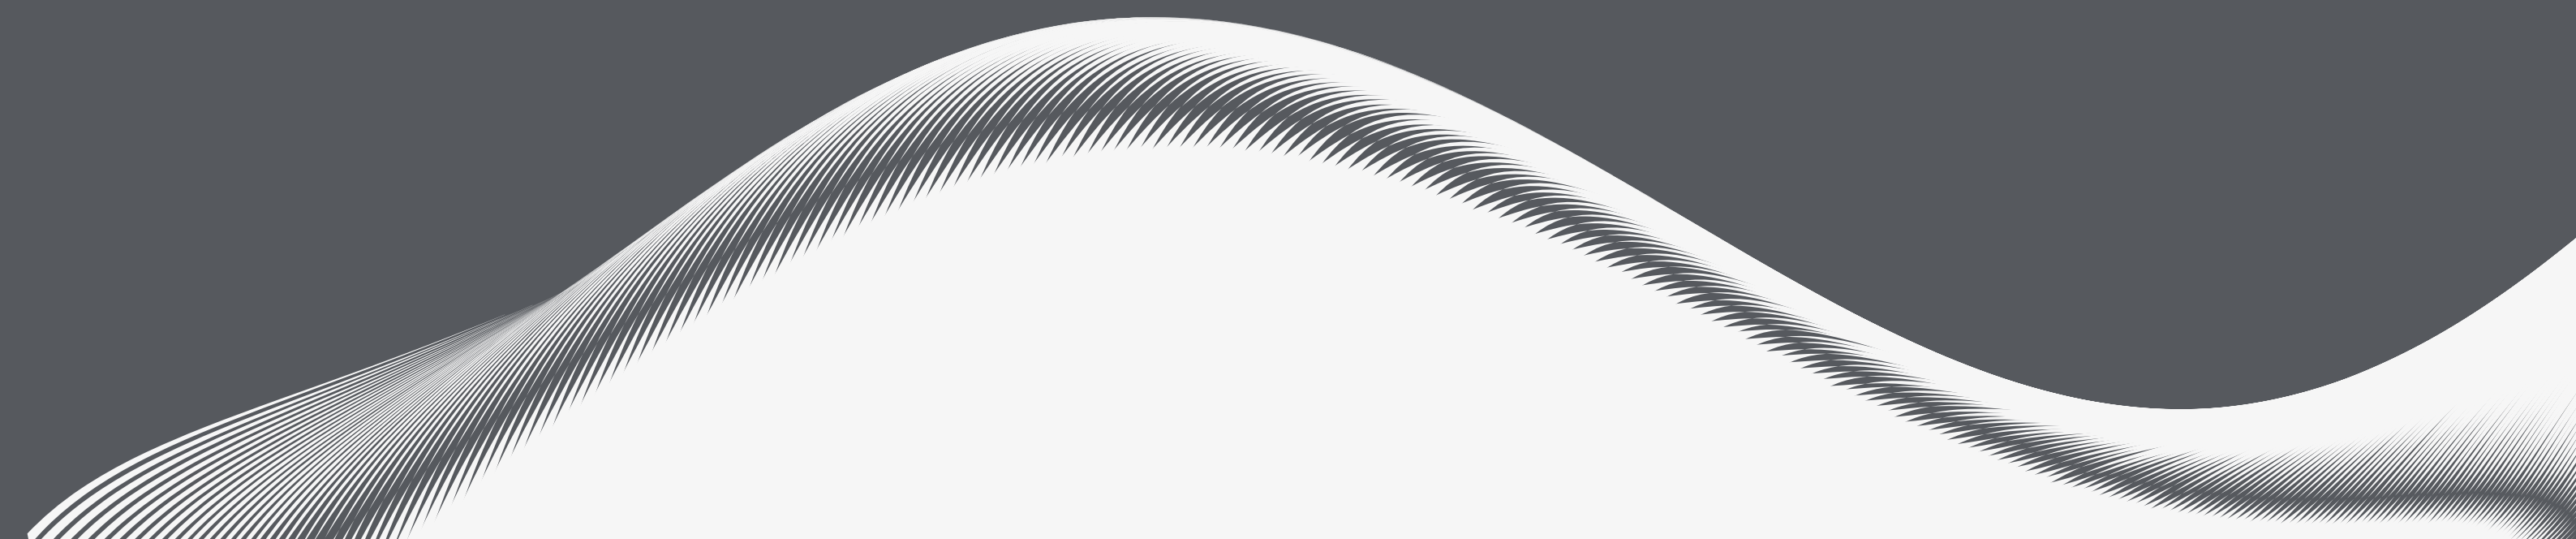

We have developed an improved formula for our gel polishes that does not contain the pigment HEMA.

Partnership

With EVIENE Professionnel, you can be confident in the quality and reliability of our products.

Partnering with our company is a step towards a successful business, where high quality, innovation, and customer care come first!

Beauty and quality for your success!
