

# MOC LLC

Organizing forums, conferences, strategic sessions, and corporate events across Russia

**We operate in in-person, online, and hybrid formats — traveling to any region and delivering full end-to-end event management.**

# About the Company

MOC LLC is a professional operator of business, educational, and corporate events. We create experiences that foster professional communities, build dialogue between business, government, and academia, promote regions, forge partnerships, and attract investment.

## Full-Cycle Management

From concept to final report — we handle every stage of preparation and execution.

## Nationwide Coverage

We deliver projects across the entire Russian Federation, traveling to clients' regions.

## Any Venue

We operate at partner and client venues, providing complete on-site support.

# Event Formats

We organize a wide range of events — from large-scale industry forums to corporate strategy sessions.

## **Business Events**

- Forums and conferences
- Roundtables and industry sessions
- Business breakfasts

## **Educational Events**

- Seminars and intensives
- Acceleration programs
- Masterclasses and workshops

## **Corporate Events**

- Strategy sessions
- Team-building activities
- Corporate forums and conferences

# End-to-End Event Management

We handle everything — from the initial concept to the final report, including on-site team deployment anywhere across Russia.

# Speaker & Expert Management

MOC LLC develops a high-impact business agenda, ensuring **practical value** for every event participant.

## Expert Selection

Sourcing federal and regional experts, coordinating with speakers, and developing tailored presentation formats.

## Moderation & Content

Facilitating discussions, preparing presentation materials, and providing full support for the business program.

# Participant Management

## Scale

We organize events for **30 to several thousand participants** — any format, any audience.

## What We Provide

- Participant registration
- Communication before and after the event
- Volunteer and coordinator management
- VIP guest escort and support
- On-site navigation and wayfinding
- Service quality control

# Geography & On-Site Team

MOC LLC operates across Russia — in regional centers, municipal districts, educational institutions, business centers, congress halls, and enterprise facilities.

01

## Pre-Event Coordination

Advance liaison with venues and contractors to ensure seamless preparation.

02

## Registration & Guest Management

On-site reception of attendees, speakers, and VIP guests.

03

## Technical Oversight

Full operational management of the event on the day of delivery.

# Additional Services

Upon request, we enhance your event with a full suite of supplementary services designed to maximize impact and deliver an exceptional experience.

## Branding & Design

Venue branding, corporate identity, event website and landing page development.

## Advertising & Media

Advertising campaigns, media relations, and live online broadcasting.

## Networking & Partnerships

Networking sessions, exhibition zones, and partner and sponsor acquisition.

## Cultural Programme

Organisation of cultural and business programme activities within the event framework.

# Why Choose MOC LLC

## → Comprehensive Approach

Full turnkey event management with a tailored concept designed around your specific goals.

## → Expert Network

Our own curated network of speakers, industry experts, and partners across Russia.

## → Flexibility & Scale

Proven experience serving government and commercial clients of any size and complexity.

## → Quality Assurance

A dedicated on-site team ensuring rigorous oversight at every stage — across any region or venue.

# Ready to Organize an Event Tailored to Your Goals

We would be glad to discuss your project and prepare a customized proposal based on your objectives, format, and event scale.
