

FOLLIMED

AN EXPERT APPROACH
TO OUR HAIR

Unlock the secret to healthy hair with FOLLIMED

FOLLIMED is a professional trichological line of products for scalp care, hair restoration, and growth stimulation. Each product is based on active ingredients in therapeutic doses. Their efficacy is supported by clinical studies.

FOLLIMED helps address a wide range of problems that your hair and scalp may encounter:

- Hair loss
- Itching and burning
- Dry scalp
- Slow hair growth
- Oily scalp
- Hair thinning

The brand's strength lies in its formulation. Effective formulas, unique compositions, innovative ingredients, advanced technology, and only effective concentrations of active components.

All formulas are developed with the participation of experts in trichology and biochemistry.

We create unique compositions based on the combined action of the most modern active ingredients.

Our products are tested, certified, and comply with European and Russian quality standards.

Each product is a thoughtful step toward restoring the health of your hair and scalp.

Follimed — expert care for your hair!

ANTI-HAIR LOSS LOTION

professional

pH 4,5-5,5

- Fights hair loss
- Stimulates hair growth
- Improves microcirculation
- Restores hair density
- Prevention and treatment of hair loss and thinning

The lotion is indicated for the treatment and prevention of hair loss and thinning, and for restoring hair density and growth.

Capixyl™ 5% - a peptide complex consisting of a tetrapeptide and red clover extract. Its primary action is aimed at improving the condition of the hair and scalp, especially in cases of hair loss, thinning, and slow growth.

Acetyl Tetrapeptide-3 - a peptide that stimulates hair growth by improving microcirculation and strengthening hair follicles.

Trifolium Pratense (Red Clover) Flower Extract contains phytoestrogens, which may help strengthen hair and slow down hair loss.

Glycolic Acid has exfoliating properties, improves scalp renewal, helps remove dead skin cells, and facilitates the deep penetration of other active ingredients.

Aesculus Hippocastanum (Horse Chestnut) Extract improves scalp circulation, strengthens capillaries, which contributes to nourishing hair bulbs.

Dextran improves blood microcirculation, providing active nourishment to hair follicles.

Vanillyl Butyl Ether has a warming effect, enhances scalp circulation, which helps stimulate hair growth.

ACTIVE INGREDIENTS:

- Capixyl™
- Horse Chestnut Extract
- Glycolic Acid

INDICATIONS FOR USE:

- Androgenetic alopecia (male/female pattern hair loss)
- Diffuse hair loss (after stress, diets, illnesses)
- To restore hair density and growth
- Post-COVID hair loss

Ingredients:

Water, Isopropyl Alcohol, Butylene Glycol, Glycerin, Glycolic Acid, PEG-40 Hydrogenated Castor Oil, Vanillyl Butyl Ether, Sodium Hydroxide, Hydroxyethyl Cellulose, Dextran, Acetyl Tetrapeptide-3, Trifolium Pratense (Clover) Flower Extract, Aesculus Hippocastanum Extract, Sodium Benzoate, Potassium Sorbate.

Directions for Use:

Shake the lotion before use. Apply daily to dry or damp scalp, gently massaging it into the hair roots (5-7 pump presses). Do not rinse off. The recommended course of treatment is at least 3-4 months.

Note:

It is recommended to perform a sensitivity test prior to use.

with
rosemary

LOTION FOR HAIR GROWTH WITH ROSEMARY

professional

pH 4,5

- Activates hair growth (awakens dormant hair follicles)
- Strengthens hair roots and shafts
- Improves microcirculation
- Increases hair density and thickness

It has antibacterial and anti-inflammatory properties, nourishes and soothes the scalp, strengthens hair along its entire length, stimulates blood circulation, strengthens roots, promotes growth and prevents hair loss, regulates sebum production. The product contains rosemary, rich in vitamins A, C, E and minerals (iron, zinc, calcium), which strengthen the hair shaft structure, making it denser and shinier.

Biotinyl Tripeptide-1 (analogue of Capixyl™) - a clinically proven peptide that stimulates the synthesis of key hair proteins (collagen, laminin-5, fibronectin) and prolongs the active growth phase (anagen). Result: noticeable increase in density and growth rate.

Rosemary Hydrolate and Extract enhance scalp microcirculation, delivering oxygen and nutrients to the roots. A powerful natural stimulant that supports follicle health.

Soothing Phyto-Complex (Yarrow, Sage, Calendula, Chamomile) provides antioxidant protection, reduces inflammation and irritation, creating optimal conditions for strong hair growth.

Niacinamide (Vitamin B3) strengthens the hair cuticle, improves the scalp's barrier function, and contributes to shine and strength along the entire hair length.

150 ml

ACTIVE INGREDIENTS:

- Rosemary extract
- Biotinyl tripeptide-1
- Rosemary hydrolate
- Rosemary essential oil
- Complex extract of yarrow, sage, calendula, chamomile

INDICATIONS FOR USE:

- Androgenetic alopecia
- Chronic telogen effluvium
- Oily scalp
- Seborrhea

Ingredients:

Aqua (Water), Rosmarinus Officinalis (Rosemary) Flower Water, Biotinyl Tripeptide-1, Rosmarinus Officinalis (Rosemary) Extract, Glycerin, Achillea Millefolium (Yarrow) Flower/Leaf/Stem Extract, Salvia Officinalis (Sage) Leaf Extract, Calendula Officinalis (Calendula) Flower Extract, Chamomilla Recutita (Chamomile) Flower Extract, Ethoxydiglycol, Niacinamide, Polysorbate 20, Phenoxyethanol, Ethylhexylglycerin, Rosmarinus Officinalis (Rosemary) Leaf Oil.

Directions for Use:

Shake the lotion thoroughly before use. Apply to dry or damp scalp using massaging motions. Do not rinse off. Use daily in the morning and/or evening. The treatment course is 3-4 months.

Contraindications:

Individual intolerance to the components. Perform a sensitivity test before use.

150 ml

ANTI-DANDRUFF LOTION

professional

pH 5,0

- against flaking
- against itching
- antifungal agent
- anti-inflammatory effect

The lotion is designed for effective dandruff control, elimination of itching and scalp irritation. Thanks to a combination of active ingredients, it not only relieves symptoms but also addresses the root cause of dandruff by normalizing the scalp's microflora. The product moisturizes, soothes, and strengthens the skin, preventing dandruff from recurring. Suitable for regular use, free of harsh preservatives and parabens.

TRIPLE ACTION OF THE ANTI-DANDRUFF LOTION:

1. Eliminates Fungus. Climbazole + Piroctone Olamine block the reproduction of Malassezia – the main cause of dandruff.
2. Relieves Itching and Flaking. Defenscalp™ (Licorice + Salicylic Acid) reduces inflammation, instantly soothes the skin.
3. Restores Skin Balance. Rosemary Extract + 9 Natural Herbs regenerate and strengthen the scalp.

Piroctone Olamine - the main active ingredient with antifungal and antibacterial action. Effectively combats dandruff by eliminating its cause – the Malassezia fungus. **Defenscalp™** provides comprehensive action against dandruff. Relieves itching and irritation, soothes the skin.

Climbazole - an antifungal component.

Rosemary Extract (Rosmarinus Officinalis Extract) - an antioxidant. Stimulates hair growth and improves circulation.

Plant Extracts (Salvia Officinalis (Sage), Calendula, Chamomilla (Chamomile), Mentha Piperita (Peppermint), Epilobium Angustifolium (Fireweed), Hypericum Perforatum (St. John's Wort), Urtica Dioica (Nettle), Camellia Sinensis (Green Tea), Citrus Limon (Lemon)) - a complex of natural extracts soothes the scalp, reduces itching and irritation, and has anti-inflammatory and healing properties.

BENEFITS YOU WILL EXPERIENCE:

- ✓ Visible results in 7 days: clear skin without white flakes.
- ✓ Long-lasting protection: prevents dandruff recurrence for up to 8 weeks.
- ✓ Suitable for sensitive skin: free from SLS, parabens, harsh alcohols.
- ✓ Lightweight formula: does not weigh hair down, no rinsing required.

ACTIVE INGREDIENTS:

- Rosemary extract
- Defenscalp™
- Climbazole
- Piroctone olamine

INDICATIONS FOR USE:

- Elimination of seborrhea, seborrheic dermatitis, and dandruff.

Ingredients:

Aqua (Water), Isopropyl Alcohol, Glycerin, Salvia Officinalis (Sage) Leaf Extract, Calendula Officinalis (Calendula) Flower Extract, Chamomilla Recutita (Chamomile) Flower Extract, Mentha Piperita (Peppermint) Leaf Extract, Epilobium Angustifolium (Willow Herb) Flower/Leaf/Stem Extract, Hypericum Perforatum (St. John's Wort) Extract, Piroctone Olamine, Echinacea Purpurea (Echinacea) Extract, Camellia Sinensis (Green Tea) Leaf Extract, Citrus Limon (Lemon) Fruit Extract, Rosmarinus Officinalis (Rosemary) Extract, PEG-40 Hydrogenated Castor Oil, Climbazole, Sodium Chloride, Phenoxyethanol, Ethylhexylglycerin, Parfum (Fragrance), Lavandula Angustifolia (Lavender) Oil, Lactic Acid.

Directions for Use:

Shake the lotion thoroughly before use and apply to dry or damp scalp using massaging motions. Do not rinse off. The recommended amount is 5-7 pump presses. Use daily for 1 month, then 1-2 times per week thereafter. Suitable for long-term preventive use.

with probiotics

REPAIR LOTION

professional

pH 5,0

- Restores and protects the skin microbiome
- Moisturizes the scalp
- Reduces sensitivity and itching

An innovative lotion for gentle scalp care, designed to restore the microbiome, strengthen hair follicles, and prevent irritation. Soothes the skin, reduces sensitivity and itching, regulates sebaceous gland activity. Improves the overall condition of the scalp and creates a healthy environment for hair growth. The formula combines probiotic components, natural extracts, and moisturizing complexes, ensuring scalp health and comfort.

Probiotic Complex (Lactococcus Ferment Lysate, Bifida Ferment Lysate) normalizes the scalp's microflora, strengthens the protective barrier.

Betaine, allantoin, and arginine intensively moisturize, soften, and prevent dryness and flaking.

Capryloyl Glycine regulates sebaceous gland activity, maintaining freshness for a long time.

Tea Tree Oil (Melaleuca Alternifolia) and menthol (Mentha Arvensis) have a soothing effect, reduce itching and redness, provide a cooling sensation.

Niacinamide soothes irritated scalp, reduces itching and flaking, improves scalp microcirculation, regulates sebum.

150 ml

ACTIVE INGREDIENTS:

- Niacinamide
- Fermented Lactococcus Lysate
- Bifida Ferment Lysate
- Capryloyl Glycine
- Arginine

Ingredients:

Aqua (Water), Propylene Glycol, Polysorbate 20, Lactococcus Ferment Lysate, Bifida Ferment Lysate, Betaine, Niacinamide, Phenoxyethanol, Ethylhexylglycerin, Capryloyl Glycine, Xanthan Gum, Arginine, Allantoin, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Parfum (Fragrance), Mentha Arvensis (Wild Mint) Herb Oil, Tetrasodium EDTA

Directions for Use:

Shake before use. Apply the lotion to dry or damp scalp using massaging motions. The recommended amount is 5-7 pump presses. Do not rinse off. Use daily in the morning and/or evening. The treatment course is 3-4 months.

INDICATIONS FOR USE:

- Sensitive scalp
- Skin irritation and tightness
- Itching and flaking

110 ml

HAIR COMPLEX

professional

pH 4,5-5,5

- Strengthens hair
- Stimulates hair growth
- Improves scalp microcirculation
- Restores the microbiome

Niacinamide, vitamin B3 (Niacinamide) Improves scalp microcirculation, promotes nourishment of hair follicles. Reduces inflammation and strengthens the skin's protective barrier.

Caffeine Stimulates hair growth by awakening dormant follicles and reducing hair loss.

Glycerin (Glycerin) Moisturizes the scalp and hair, preventing dryness and brittleness.

Tocopherol acetate, vitamin E (Tocopherol Acetate) An antioxidant that protects hair and skin from free radical damage, helps restore hair structure.

Red clover extract (Trifolium Pratense Extract) Contains phytoestrogens, which may help strengthen hair and slow down hair loss.

Chamomile extract (Chamomilla Recutita Extract) Soothes the scalp, reduces irritation and inflammation.

Horse chestnut extract (Aesculus Hippocastanum Extract) Improves scalp blood circulation, strengthens blood vessel walls.

Calcium pantothenate, vitamin B5 (Calcium Pantothenate) Promotes skin and hair regeneration, moisturizes and adds elasticity.

Panthenol (Sodium Panthenol) Moisturizes and repairs damaged hair, providing elasticity.

Pyridoxine (Pyridoxine HCl) Vitamin B6, regulates sebaceous gland activity and strengthens hair.

ACTIVE INGREDIENTS:

- Niacinamide
- Fermented Lactococcus Lysate
- Bifida Ferment Lysate
- Capryloyl Glycine
- Arginine

INDICATIONS FOR USE:

- Sensitive scalp
- Skin irritation and tightness
- Itching and flaking

Ingredients:

Aqua (Water), Propylene Glycol, Polysorbate 20, Lactococcus Ferment Lysate, Bifida Ferment Lysate, Betaine, Niacinamide, Phenoxyethanol, Ethylhexylglycerin, Capryloyl Glycine, Xanthan Gum, Arginine, Allantoin, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Parfum (Fragrance), Mentha Arvensis (Wild Mint) Herb Oil, Tetrasodium EDTA

Directions for Use:

Shake before use. Apply the lotion to dry or damp scalp using massaging motions. The recommended amount is 3-4 pump presses. Do not rinse off. Use daily in the morning and/or evening. The treatment course is 3-4 months.

with probiotics

CLEANSING SHAMPOO

professional

pH 4,9

- Deeply cleanses the scalp
- Strengthens roots
- Restores the skin's protective functions
- Combats excess sebum production and prevents clogged pores

A gentle cleansing shampoo with salicylic acid, probiotics, and plant extracts softly removes impurities, excess sebum, and dead skin cells. Restores the balance of the scalp microbiome, eliminates itching, flaking, and tightness. Caffeine and natural extracts stimulate microcirculation and improve nourishment of hair follicles. Essential oils of lavender, juniper, and tea tree soothe and provide freshness.

Salicylic Acid exfoliates the skin, fights excess sebum production, and prevents clogged pores.

Plant Extracts (Rosemary, Bergamot/Bee Balm, Oregano, Sage) have antibacterial and anti-inflammatory properties, soothe irritations.

Oils (Lavender, Juniper, Tea Tree) regulate sebaceous gland activity and reduce inflammation.

Lactobacilli (Lactococcus Ferment Lysate, Bifida Ferment Lysate) strengthen the scalp's skin barrier, restore the balance of the skin's microflora.

Caffeine stimulates blood circulation and hair growth.

Squalene and Beta-Sitosterol strengthen hair follicles.

50 ml / 250 ml

ACTIVE INGREDIENTS:

- Rosemary Hydrolate
- Siberian Cedar Resin Extract
- Probiotics
- Postbiotics
- Salicylic Acid

INDICATIONS FOR USE:

- For normal, sensitive, and problematic scalp

Ingredients:

Aqua (Water), Sodium Laureth Sulfate, Cocamidopropyl Betaine, Rosmarinus Officinalis (Rosemary) Flower Water, Decyl Glucoside, Coco Glucoside, PEG-7 Glyceryl Cocate, PEG-200 Glyceryl Palmate, Pinus Sibirica (Siberian Pine) Extract, Lactococcus Ferment Lysate, Bifida Ferment Lysate, Salicylic Acid, Monarda Didyma (Bergamot/Bee Balm) Leaf Extract, Origanum Vulgare (Oregano) Flower/Leaf/Stem Extract, Salvia Officinalis (Sage) Leaf Extract, Zingiber Officinale (Ginger) Root Extract, Polyquaternium-10, Caffeine, Guar Hydroxypropyltrimonium Chloride, Lavandula Angustifolia (Lavender) Oil, Phenoxylethanol, Rosmarinus Officinalis (Rosemary) Leaf Oil, Juniperus Communis (Juniper) Oil, Ethylhexylglycerin, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Sodium Chloride, Tetrasodium EDTA.

Directions for Use:

Wet hair with warm water. Lather a small amount of shampoo in your hands. Apply to damp hair and scalp using massaging motions, then rinse thoroughly with warm water.

Normal scalp: 1–2 times per week.

Sensitive or scalp prone to flaking, itching: 1–2 times per week, can be used every other day for severe symptoms. It is important to alternate with a gentle moisturizing shampoo for increased sensitivity.

Oily scalp, prone to seborrhea and dandruff: 3–4 times per week, can be used daily for a course of 1–2 weeks, then 2–3 times per week to maintain results.

50 ml / 250 ml

REPAIR SHAMPOO

professional

pH 5,7

- Restores the protective functions of the scalp
- Eliminates various types of flaking
- Soothes the scalp, eliminates itching
- Restores hair structure
- Intensively moisturizes

The repair shampoo is intended for dry and sensitive scalp prone to irritation and itching, as well as for damaged, weakened, dry, and brittle hair. Significantly reduces flaking, has a soothing effect on the scalp, alleviates the feeling of tightness caused by scalp dryness, and relieves itching. Restores the skin's natural protective functions, maintains the necessary level of hydration, and provides comfort to the scalp and hair. Deeply restores hair structure by replenishing lost lipids, intensively moisturizes, strengthens the cuticle, and gives hair smoothness, strength, and a healthy shine. Suitable for daily use.

Ceramide Complex (Ceramide 1, 2, 3, 6)

Restores the lipid barrier, "glues" cuticle scales, provides strength and shine.

Urea + Betaine provide deep, long-lasting, intensive hydration.

Panthenol + Glycerin strengthen, heal micro-cracks, protect against moisture loss.

Sage Extract an antioxidant, strengthens hair, supports scalp health.

Allantoin softens and moisturizes the skin, stimulates cell regeneration, relieves irritation and itching.

Repair Shampoo with Ceramides is an intelligent formula where each active ingredient plays its key role in the restoration process. Together, they provide hair with deep repair, incomparable smoothness, strength, and a radiant, healthy appearance.

ACTIVE INGREDIENTS:

- Urea
- Ceramides
- Allantoin
- Panthenol
- Sage Extract
- Caffeine
- Betaine

INDICATIONS FOR USE:

- Dry scalp and sensitive scalp
- Restoration and protection of dry, porous, and damaged hair

Ingredients:

Aqua (Water), Sodium Laureth Sulfate, Coco Glucoside, Cocamidopropyl Betaine, Glycerin, Urea, Trimethylglycine, PEG-7 Glyceryl Cocoate (and) PEG-200 Glyceryl Palmate, Salvia Officinalis (Sage) Leaf Extract, Coco-Glucoside (and) Glyceryl Oleate, Sodium Chloride, Panthenol, Pentyleneglycol, Ceramide 1, Ceramide 2, Ceramide 3, Ceramide 6 II, Butylene Glycol, Hydrogenated Lecithin, Caprylic/Capric Glycol, Polyglyceryl-10 Esters, Phenoxyethanol, Ethylhexylglycerin, Allantoin, Guar Hydroxypropyltrimonium Chloride, Parfum (Fragrance), Citric Acid.

Directions for Use:

Apply a small amount of shampoo to wet hair. Massage until a rich lather forms, leave on for 2-5 minutes, and rinse thoroughly with plenty of water. Repeat if necessary. Use regularly to achieve optimal restorative results. Can be used for daily gentle cleansing, as well as between medicated shampoos to moisturize and restore the skin's barrier function. Recommended to be used with the FOLLIMED brand's intensive mask.

PEELING SHAMPOO

professional

pH 5,3

- Deeply cleanses the scalp
- Targets oily scalp
- Targets flaking

The peeling shampoo is designed for a comprehensive solution to scalp and hair problems. The shampoo promotes active scalp cleansing — exfoliates and renews the scalp. It is intended for effective dandruff control and prevents its recurrence. The shampoo has anti-inflammatory and anti-edema effects, creates a feeling of freshness, and provides a sebum-regulating effect.

Salicylic and Glycolic Acids gently remove dead skin cells and excess sebum, cleanse pores, promote scalp renewal, and reduce flaking.

Piroctone Olamine combats the cause of dandruff, effectively suppresses the growth of microorganisms that cause dandruff and itching.

Panthenol (Provitamin B5), Aloe Vera Juice, and Allantoin intensively soothe irritated skin, relieve itching, moisturize, and promote recovery.

Ivan-Chai (Fireweed / Narrow-Leaved Willowherb) Extract helps strengthen hair follicles and improve scalp condition.

Panthenol and conditioning polymers moisturize hair along its entire length, making it smooth, manageable, and shiny, and ease combing.

50 ml / 250 ml

ACTIVE INGREDIENTS:

- Fireweed (Ivan-Chai) Extract
- Salicylic Acid
- Piroctone Olamine
- Aloe Vera Gel
- Panthenol

INDICATIONS FOR USE:

- Seborrhea, seborrheic dermatitis
- Dandruff
- Psoriasis
- Oily seborrhea

Ingredients:

Aqua (Water), Sodium Laureth Sulfate, Cocamidopropyl Betaine, Sodium Lauroyl Sarcosinate, Glycerin, Piroctone Olamine, Panthenol, Aloe Barbadensis (Aloe Vera) Leaf Juice, Epilobium Angustifolium (Fireweed) Flower/Leaf/Stem Extract, Phenoxyethanol, Polyquaternium-7, Lactic Acid, Ethylhexylglycerin, Polyquaternium-10, Allantoin, Parfum (Fragrance), Salicylic Acid, Glycolic Acid, Tetrasodium EDTA, Citric Acid.

Directions for Use:

Wet hair with warm water. Lather a small amount of shampoo in your hands and apply to the scalp using massaging motions. Leave on for 2-5 minutes to enhance the action of the active ingredients. Then rinse thoroughly. The shampoo can be used 1-2 times per week.

50 ml / 250 ml

ANTI-DANDRUFF SHAMPOO

professional

pH 6,0

- Effective against all types of dandruff
- Cleanses effectively
- Regulates sebum secretion
- Restores the microbiome

Salvia Officialis (Sage) Leaf Extract: a plant extract with antiseptic, anti-inflammatory, and astringent properties. Helps soothe irritated and itchy scalp, fights bacteria, regulates sebum production. Reduces redness and inflammation associated with dandruff.

Propolis Extract: helps combat bacteria and fungi on the scalp, soothes inflammation, relieves itching, and promotes the healing of micro-cracks or damage caused by scratching.

Urtica Dioica (Nettle) Leaf Extract: helps regulate scalp oiliness, has a mild antibacterial effect, soothes itching and irritation. May contribute to improved microcirculation.

Trimethylglycine / Betaine: deeply moisturizes the scalp, preventing excessive dryness and flaking. Helps maintain cellular water balance, making the skin healthier and more resistant to irritation. Well-moisturized skin is less prone to forming visible dry flakes.

Effective dandruff and itch control, gentle care for the scalp. The shampoo is recommended for both dry and oily dandruff types; it eliminates and prevents its recurrence. Has an anti-inflammatory effect, provides a feeling of freshness, and regulates sebum production.

Climbazole eliminates the cause of dandruff, specifically targets the Malassezia fungus—the main cause of dandruff and seborrheic dermatitis. It effectively suppresses fungal growth, reducing flaking and preventing the problem from returning.

Polyquaternium-10 and Polyquaternium-7 - Conditioning/Antistatic agents with "anti-dandruff" potential: help deposit and retain the active ingredient (climbazole) on the scalp, increasing its efficacy and prolonging its action. Reduce static in hair, which can indirectly decrease the attraction and visibility of dandruff flakes.

ACTIVE INGREDIENTS:

- Propolis Extract
- Climbazole
- Sage Extract
- Nettle Extract
- Natural Betaine

INDICATIONS FOR USE:

- Elimination of seborrhea, seborrheic dermatitis, and dandruff.

Ingredients:

Aqua (Water), Sodium Laureth Sulfate, Cocamidopropyl Betaine, Decyl Glucoside, PEG-7 Glyceryl Cocoate, PEG-200 Glyceryl Palmate, Glycerin, Trimethylglycine, Salvia Officialis (Sage) Leaf Extract, Propolis Extract, Urtica Dioica (Nettle) Leaf Extract, Glycol Distearate, Polyquaternium-10, Climbazole, Polyquaternium-7, Cocamide MEA, Laureth-10, Sodium Chloride, Phenoxyethanol, Ethylhexylglycerin, Parfum (Fragrance), Citric Acid.

Directions for Use:

Apply a small amount of shampoo to wet hair, massage the scalp to create a rich lather. Leave on for 2-3 minutes for maximum effect of the active ingredients. Rinse thoroughly with plenty of water. For lasting results, use regularly.

It is recommended to use the shampoo every other day (or daily if necessary) for 2 months. In the third month, use 2-3 times per week as needed. For those requiring daily washing and having sensitive skin, alternating every other day with a ceramide shampoo is highly effective.

Suitable for: men and women, all hair types (especially recommended for oily or sensitive scalps prone to dandruff and itching).

SEBUM-REGULATING SHAMPOO

professional

pH 5,7 - 5,8

- Effectively cleanses the scalp
- Regulates sebum secretion
- Restores the microbiome

The shampoo effectively cleanses the scalp, regulates sebum secretion, and restores its natural balance. Has a soothing effect. After washing, hair becomes perfectly clean, and retains freshness and volume for a long time. For oily scalp. Its active ingredients (Piroctone Olamine, Zinc, herbal complex, lactic acid) are aimed at fighting dandruff, regulating excess sebum production, and eliminating scalp itching and inflammation.

Piroctone Olamine - a primary antifungal and antibacterial agent. Effectively combats the Malassezia fungus, which is the main cause of dandruff (seborrheic dermatitis) and scalp irritation. Helps normalize microflora, reduce itching and flaking.

Zinc Sulfate has pronounced sebum-regulating (controls oil production), antibacterial, and drying properties. Soothes irritated scalp, promotes healing of micro-inflammations. Enhances the action of Piroctone Olamine against dandruff. A key component for combating scalp oiliness and inflammation.

Complex of plant extracts (Salvia Officialis, Calendula, Chamomilla Recutita, Mentha Piperita, Urtica Dioica, Echinacea Purpurea, Hypericum Perforatum, Epilobium Angustifolium, Betula Verrucosa): have a multifaceted effect on the scalp:

Anti-inflammatory and soothing: Calendula, Chamomile, St. John's Wort (Hypericum), Echinacea, Fireweed/Willowherb (Epilobium) reduce redness, itching, and irritation.

Sebum-regulating and cleansing: Sage (Salvia), Nettle (Urtica), Peppermint (Mentha), Birch (Betula) help normalize sebaceous gland activity, cleanse pores.

Antiseptic: Sage, Chamomile, Echinacea, St. John's Wort have a mild antibacterial effect.

Strengthening and stimulating microcirculation: Nettle, Birch are traditionally used to strengthen hair and improve follicle nutrition.

Cooling: Peppermint provides a pleasant cooling effect, relieving discomfort.

Fireweed (Epilobium Angustifolium / Ivan-Chai) extract has a beneficial effect on the scalp's microflora and improves scalp condition.

Hydroxyethyl Urea helps prevent excessive drying of the scalp, which can occur due to active cleansing and sebum-regulating components. Improves the condition of the epidermis, making it smoother.

Lactic Acid gently exfoliates the scalp, removing dead skin cells and residual sebum, helping to cleanse pores. Helps normalize scalp pH. Improves exfoliation, combats scalp "buildup," and enhances the action of other ingredients.

Polyquaternium-10 eases hair combing, adds smoothness, reduces static. Forms a light film that protects hair without weighing it down. Provides care for the hair length, compensating for potential drying effects on the ends.

The shampoo is primarily intended for oily scalp prone to dandruff, itching, and flaking (seborrheic dermatitis).

50 ml / 250 ml

ACTIVE INGREDIENTS:

- Defenscalp™
- Piroctone Olamine
- Zinc Sulfate
- Birch Leaf Extract

INDICATIONS FOR USE:

- Cleansing
- Sebum-regulating care for oily hair

Ingredients:

Aqua (Water), Sodium Laureth Sulfate, Cocamidopropyl Betaine, PEG-7 Glyceryl Cocoate, PEG-200 Glyceryl Palmate, Salvia Officialis (Sage) Leaf Extract, Piroctone Olamine, Calendula Officialis (Calendula) Flower Extract, Chamomilla Recutita (Chamomile) Flower Extract, Mentha Piperita (Peppermint) Leaf Extract, Urtica Dioica (Nettle) Leaf Extract, Echinacea Purpurea (Echinacea) Extract, Hypericum Perforatum (St. John's Wort) Extract, Epilobium Angustifolium (Fireweed/Willowherb) Flower/Leaf/Stem Extract, Betula Verrucosa (Birch) Leaf Extract, Hydroxyethyl Urea, Polyquaternium-10, Zinc Sulfate, Phenoxyethanol, Ethylhexylglycerin, Sodium Chloride, Parfum (Fragrance), Lactic Acid, Tetrasodium EDTA.

Directions for Use:

Wet hair with warm water. Lather a small amount of shampoo in your hands. Apply the shampoo to the damp scalp and thoroughly massage the scalp with your fingertips for 3-5 minutes. This is critically important for the effectiveness of the active ingredients. Leave on for 2-5 minutes and rinse thoroughly with warm water. Use as often as needed. For maximum effectiveness, proper application (scalp massage) and a course of treatment are necessary. To achieve lasting results in the fight against dandruff and seborrhea, a regular course of application for several weeks (typically 4-8 weeks) is required, even after symptoms disappear.

250 ml

INTENSIVE REPAIR MASK FOR HAIR AND SCALP

professional

pH 4,2

- Deeply moisturizes and nourishes hair
- Restores hair structure
- Eliminates itching and skin dryness
- Adds shine and smoothness to hair

This professional mask is based on a unique formula combining powerful active ingredients aimed at intensive hair structure restoration and scalp revitalization. Each component works synergistically to achieve visible results.

Hydrolyzed Wheat Protein penetrates deep into the hair, filling in damage and micro-cracks. Instantly strengthens hair, gives it elasticity, provides protection against breakage and a thickening effect. Improves manageability.

Panthenol (Provitamin B5) & Pantethine intensely moisturize and attract moisture. Make hair incredibly soft, smooth, and shiny. Relieve dryness and irritation of the scalp, promoting its health.

Exclusive Premium Oil Complex:

Argan Oil (Orbignya Oleifera Seed Oil): rich in vitamin E and antioxidants. Restores shine, protects from external damage.

Jobaba Oil (Simmondsia Chinensis Seed Oil): perfectly mimics skin sebum. Regulates scalp balance, moisturizes without weighing down.

Shea Butter (Butyrospermum Parkii Butter): deeply nourishes and softens hair and scalp. Creates a protective barrier.

Squalene & Hydrogenated Olive Oil Unsaponifiables: powerful natural moisturizers and restorers, improving elasticity and preventing moisture loss.

Comprehensive nourishment, restoration of the lipid barrier of hair and scalp, imparting weightless shine without a greasy effect.

Natural Beta-Sitosterol: strengthens the protective functions of the scalp, has anti-inflammatory action, promotes healthy hair growth.

Amino Acid Complex (Aspartic Acid, PCA, Glycine, Alanine, Serine, Valine, Proline, Threonine, Isoleucine, Histidine, Phenylalanine) deeply restores damaged hair structure from within, providing strength, resilience, and natural shine. Improves hair's ability to retain moisture.

Allantoin relieves scalp irritation, itching, and sensitivity, promotes its healing and healthy condition.

Mixed Tocopherols & Tocopheryl Acetate protect hair and scalp from free radical damage (UV radiation, pollution), slow down the hair aging process, and enhance shine.

The mask is designed for intensive restoration of damaged and colored hair. Nourishes and strengthens hair, improves its elasticity, adds shine, and enhances hair texture, eliminates scalp itching and dryness.

Key Benefits of the Mask:

Intensive Restoration: deeply reconstructs damaged hair structure (after coloring, chemical treatments, heat exposure).

Powerful Hydration and Nourishment: saturates dry, brittle hair and scalp with moisture, prevents dehydration.

Strengthening and Elasticity: makes hair strong and resistant to breakage and stretching.

Weightless Shine: imparts luxurious, healthy radiance without weighing hair down.

Healthy Scalp: soothes irritation and itching, regulates balance, creates optimal conditions for hair growth.

Perfect Smoothness and Manageability: eases combing, eliminates frizz and static, makes hair silky and manageable.

Protection from External Aggressors: an antioxidant shield against UV rays and environmental pollutants.

ACTIVE INGREDIENTS:

- Hydrolyzed Wheat Protein
- Amino Acid Complex
- Panthenol
- Allantoin
- Babassu, Jojoba, Shea Oils/Butters
- Vitamin E

INDICATIONS FOR USE:

- Restoration and protection of dry, porous, and damaged hair
- For sensitive, dry, or irritated scalp

Ingredients:

Aqua (Water), Cetearyl Alcohol, Behenamidopropyl Dimethylamine, Behentrimonium Methosulfate, Hydrolyzed Wheat Protein, PPG-3 Caprylyl Ether, Hydrogenated Ethylhexyl Olivatate, Hydrogenated Olive Oil Unsaponifiables, Panthenol, Orbignya Oleifera Seed Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Sodium PCA, Sodium Lactate, Arginine, Aspartic Acid, PCA, Glycine, Alanine, Serine, Valine, Proline, Threonine, Isoleucine, Histidine, Phenylalanine, Butyrospermum Parkii (Shea) Butter, Cyclopentasiloxane, Dimethiconol, Phenoxyethanol, Lactic Acid, Hydroxyethylcellulose, Ethylhexylglycerin, Parfum (Fragrance), Tocopheryl Acetate, Allantoin, Tocopherol (mixed), Beta-Sitosterol, Squalene.

Directions for Use:

Apply the mask to clean, towel-dried hair and scalp, distribute thoroughly, and massage gently. You can wrap it with a warm towel and leave on for 2-3 minutes (up to 10 minutes). Rinse abundantly with water. Use 3-4 times per week, or after every wash if needed.

Contraindications:

Individual intolerance to the ingredients of the product.
