

A CHILDREN'S ISLAMIC PUBLISHING HOUSE

UMMALAND — A STORY OF TWO MOTHERS

In 2016, two friends started a small business — they sold sweet gifts on the street near a mosque.

Today, UMMALAND is an international company that produces books, games, educational materials, and holiday goods for Muslims all over the world.

We dream that every little Muslim in any corner of the planet can read good books, learn to make friends, do good, and strengthen their iman.

LET'S TAKE CARE OF THE FUTURE OF OUR UMMAH AND ISLAM TOGETHER!

EDUCATIONAL MATERIALS AND PARENTING BOOKS

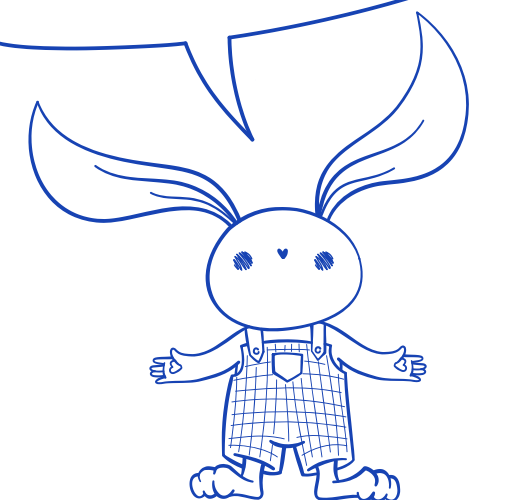

Experienced educators and progressive methods make learning Arabic and the fundamentals of Islam easy and engaging.

And to support parents and teachers, we've released a vibrant series of books on child-rearing and development.

Our materials are chosen for education both in madrasas and at home.

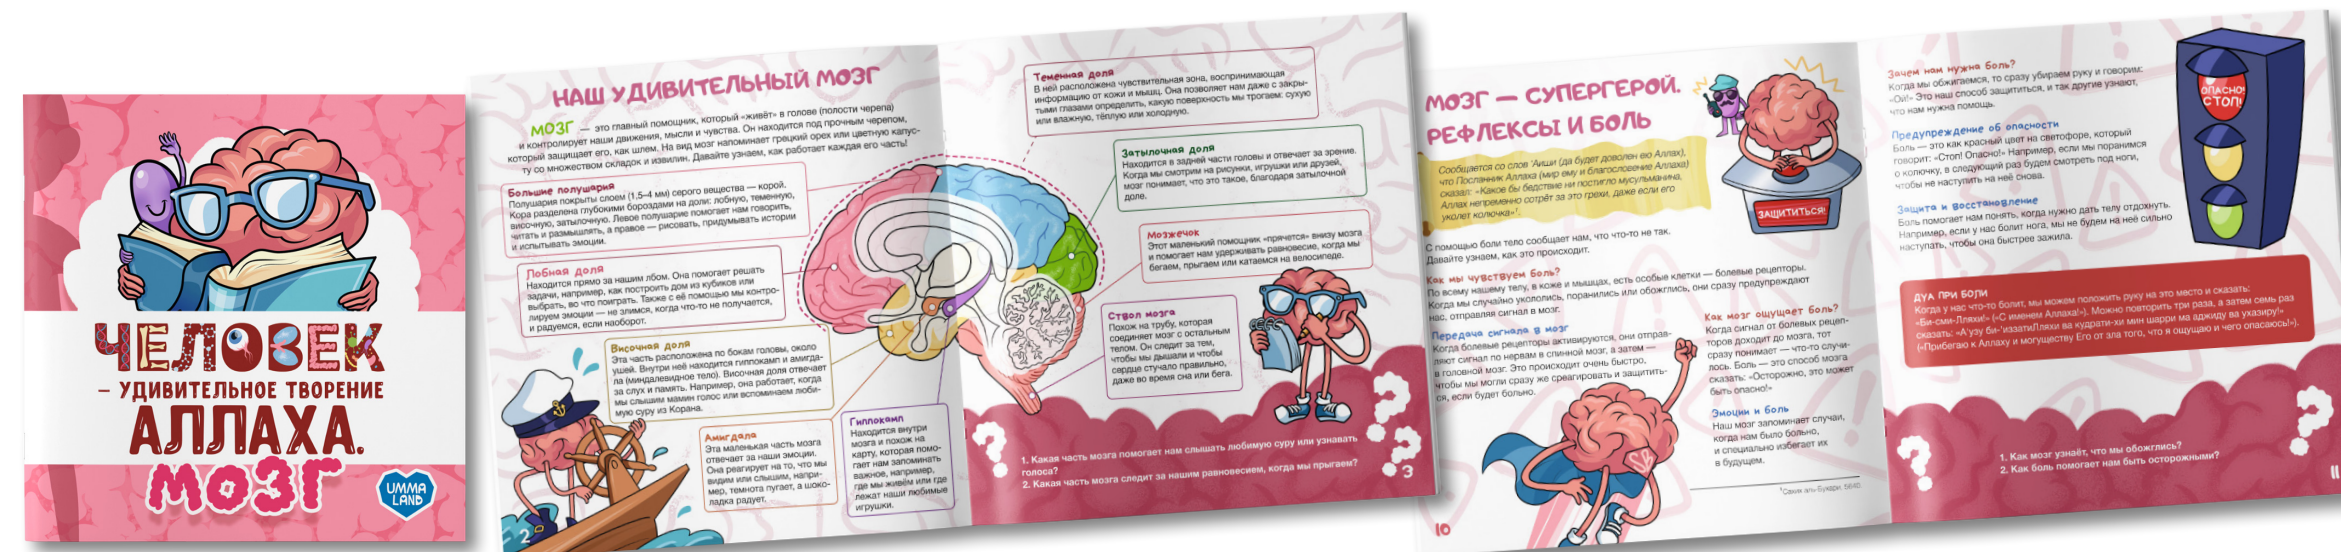

They develop a child's curiosity and interest in science, helping them learn about Islam through observations of nature and the world around them.
